STANDARD SG GROUP

ABOUT US

Standard Group India is a diversified group of companies that has strong presence across various sectors namely, Steel, Real Estate, Lighting, Solar, Steel Servicing & Aluminium. Headquartered in Mumbai, India, the group operates from multiple locations across the nation with a strong commitment to offer only the best solutions to all stakeholders. Despite its widespread diversification, Standard Group's core competency lies in Steel Trade with businesses spanning from domestic boundaries into the international space and trading in an entire spectrum of mild steel products from billets to electrical steel.

With its ever-growing enterprising spirit, Standard Group recurrently ventures into new challenging spaces like the Lighting & Solar industry. Taking pride in being a sole indentor & distributor of leading global brands like Alanod & Alanod Solar, the group has been dealing in Alanod products for more than 20 years. Alanod & Alanod Solar are leading German brands that manufacture high quality lighting and solar solutions. With the same spirit, in 2004 the group ventured into the real estate industry with its first project 'Nakshatra', a township in the quaint town of Deolali, only a few kms away from Nashik. Standard Group also manufactures roofing profiles, flexible conduits and runs a full-fledged steel servicing centre.

Since its inception, Standard Group has established itself as a reckoning force in the Steel Trading and Distribution industry. Today, the group takes great pride with a long list of satisfied and happy clients and strives to provide nothing less than the best to all its valued stakeholders.

PRODUCTS & SERVICES

STEEL TRADING & DISTRIBUTION

With over 50 years of experience in the steel industry, our expertise lies in trade and distribution of mild steel products. We supply varied steel products to multiple business sectors across the nation. These materials are imported from several international mills.
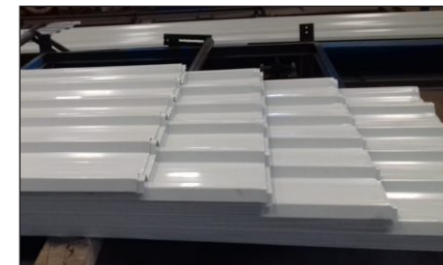

LIGHTING & SOLAR PRODUCTS

We take pride in being the sole indenters of leading German brand 'Alanod' for more than 20 years. This association allows us to supply the high quality anodized aluminum material to the top lighting brands across the nation.

FLEXIBLE CONDUITS & ACCESSORIES

We have been one of the leading companies in manufacturing of Steel Flexible Conduits since 1987. These exible conduits are available for sale under the brand name 'SteelFlex'. We have received awards from EEPC for being a regular & consistent exporter of exible conduits to South East Asia.

ROOFING SOLUTIONS

We have established a standalone brand by name 'StanPro' for roong solutions. We oer two types of roong solutions, namely Trapezoidal & Sinusoidal (corrugated). The pre-painted galvanized/galvalume roo ng products have a long life and are totally recyclable, if replaced properly.

SERVICE CENTER FACILITIES

Turakhia Steels Pvt. Ltd. provides state of art service centre facilities for all valued clients. Here we have set up full-edged service centre for iron & steel, to perform Slitting and cut to length (CTL) of steel with an aim to oer all services under a roof and cater to all the clients.

REAL ESTATE

Our newest venture is in the real estate industry, with our dream project, "Nakshatra". Nakshatra is a mini township set in the town of deolali. An amazing oering with the state of art, amenities, ideas location and great ambience encompassing mother nature at its best.
